

Alliant Brio Health™

Let well-being begin

Get health & productivity started

Alliant Brio Health™ is an online portal for employers who want to support employees and their spouses with their overall well-being, but don't have the budget or internal resources to support a larger initiative. Brio Health is an easy, remarkably affordable starting point that gets it all going for you.

TIME FOR TAKEOFF

The bases are covered with Brio Health. Its features are designed to make it simple to help you begin promoting healthy behaviors in many ways. Key features you and your employees will appreciate include:

- Brio Health access via web portal and mobile app
- Content that helps employees understand their health better
- Energizing, quarterly health challenges that encourage employees to strive for health in many different facets of their lives

- Data importing from wearable health tracking devices into employees' Brio Health accounts
- Preventive care tracking

You will appreciate:

Spouses are included for free

Carrier dollar eligibility

CHALLENGES THAT INSPIRE

Get your employees motivated with quarterly challenges such as:

60 Days to Change

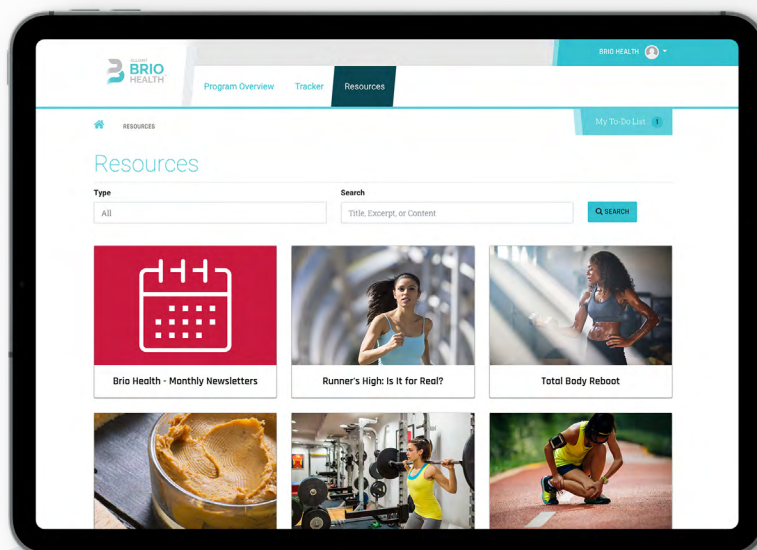

Make Your Move

Eat Well Be Well

Revive and Refresh

LAUNCH MADE EASY

Prior to launch, you get a welcome kit and turnkey communication materials that support each challenge and help you engage your employees.

Nothing can stop you now

If you've been waiting for an easy, affordable way to begin a health and productivity program for your employees, Alliant Brio Health is a great starting point. Contact your Alliant representative today for a demonstration.

Creative. Experienced. Engaged. Responsive. That's the Alliant difference.
