

A heartfelt *Thanks*
for creating a Northwest treasure

GroupHealth®

Group Health is nothing without its people. People caring for people, transforming health care, driving innovation and research, standing up for what's right, and working together to improve the care and well-being of our members, patients, and communities.

It is because of you and your active, impassioned participation that Group Health has been able to serve the Pacific Northwest, proudly, for almost 70 storied years.

You make a world of difference.

Only you could create this living legend.
